

Caution Sliding the Caddie

VERY IMPORTANT CAUTION

This beautiful bath caddie has been carefully designed to give you maximum enjoyment during your bathing sessions.

It is manufactured from the purest of raw materials and is manufactured from the same materials used to manufacture your Lucia bathtub.

BUT

It is especially important that you DO NOT slide or push the caddie along the rim of the bath.

Carefully place the caddie on the top edge of the bath.

If you wish to reposition the caddie

YOU MUST lift it and reposition it

YOU MUST NOT SLIDE OR PUSH the caddie
along the rim of the bath.

Sliding or pushing the caddie along the top rim of the bath may damage both the bath and the caddie.

ANY REPAIRS needed, by not following these instructions, will not be covered by your warranty.
